InstaBright G2

NEW! TCP PRO InstaBright G2 SERIES

The Industry's Fastest Starting Covered CFL

- Uses TCP's Patented CFL "InstaBright G2 Technology" to provide **full brightness in seconds!**
- Improves lamp start-up lumens by more than 100%, resulting in faster lamp run-up time and outstanding initial lumen performance.
- NanoTi™ coating improves lumen maintainence
- G2 technology using Amalgam mercury

Dimmable CFLs
