Luxterior
by TCP

Applications

TCP's flange mounting kit allows for recessed installation on plaster or hard ceilings. These kits provide a framework to allow installation of TCP troffers into a sheet rock ceiling.

Construction

- Durable steel frame; 0.062" thick (1.5 mm)
- Post-painted in white powder coat paint
- Easy-to-assemble for quick field installation
- Ultra low-profile design
- Can accommodate TCP Troffers with or without emergency back-up option

Listing

RoHS Compliant

Warranty

Five year limited warranty against defects in manufacturing
