DISCLAIMER:

1. The ultraviolet rays of this product cannot be used for lighting purposes and in applications or activities which may cause and or lead to death, personal or animals' injury and/or damage to the environment.
2. UVC luminaires systems must only be sold, installed and replaced by professionals.
3. When using this UVC product for indoor purification, please close the doors and windows, keep the room clean and dry, and reduce dust and moisture.
4. We do not promise or warrant that the use of the PurEssentials products will protect any user from or prevent infection and/or contamination with any viruses, bacteria, protozoa, fungi, illness or disease.
5. There is a high efficiency UVC generating device inside. Do not disassemble unless you are a certified professional electrician, as it may cause injury when ultraviolet rays are directly exposed to eyes or skin. Maintenance personnel need to wear professional UV protection goggles and skin protection before repair.
6. The UVC Products are not intended for and must not be used for medical purposes.
7. In addition to and without limitation of any exclusions or limitations of liability of us as set forth in any agreement for the sale, distribution or otherwise making available of the UV-C lamp/fixture/devices, we shall have no responsibility or liability whatsoever for any claim or damage that may arise from or relate to any use of the UV-C lamp/fixture/devices outside of their intended use or contrary to their installation and operation instructions, each as described in this document, the user manuals and/or the mounting instructions.
8. Unit should not be dismantled except by a qualified professional.
