

Residential Square Security Sconce

Product Specifications

TCP's Residential Square Security Sconce provides long-lasting illumination for both residential and commercial applications such as walkways, entrances, stairwells, patios, driveways and storage areas. To improve security and simplify operation, an integrated dusk-to-dawn photocell automatically turns the sconce on at dusk and off at dawn. Also available is a version with a motion sensor and battery backup to provide security and peace of mind.

Reasons to Choose the Residential Square Security Sconce from TCP

- Color Temperature: 5000K
- Black aluminum housing
- Clear plastic lens
- Motion sensing with battery backup option along with a photocell option available
- Three-year limited warranty

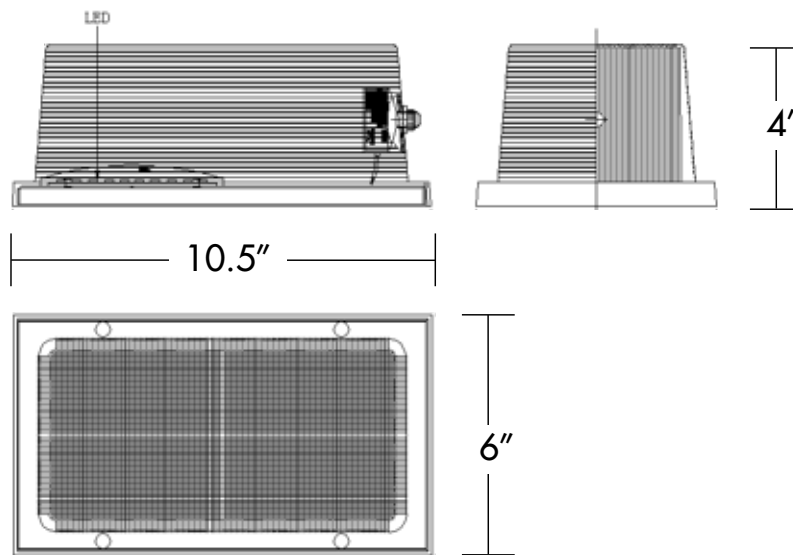

Ideal Applications

- Residential
- Hospitality
- New construction
- Remodeling
