LED Universal Combo Emergency Exit Sign

Product Specifications

The LED Universal Combo Emergency Exit Sign provides a single solution for exit identification and illumination. Available with vivid red or green lettering, the sign can be easily mounted from ceilings or walls to improve building safety. All models incorporate a battery backup, which keeps the sign illuminated for at least 90 minutes after power is lost.

Reasons to Choose LED Universal Combo Emergency Exit Sign from TCP

- Long-lasting, ultra-bright white LED lamp heads and red or green LED lettering
- EZ-snap mounting canopy included – Allows for top or end mount
- Battery backup features 9.6V long life, rechargeable NiCd battery
- UL listed for damp locations
- Transfer switch automatically connects to internal battery for minimum 90-minute emergency illumination
- Remote capable versions have remote capacity of 3.0W

Ideal Applications

- Retail
- Schools
- Hospitals
- Industrial

Construction

- White injection-molded, engineering grade thermoplastic housing
- Adjustable LED lamp heads provide optimal center-to-center spacing
- 5VA flame retardant and high-impact resistant
- EZ snap-out chevron directional indicators
