

LED Low Profile Combo Emergency Exit Sign

Product Specifications

Combining ultra-bright emergency wayfinding lights and exit door signage, the LED Low Profile Combo Emergency Exit Sign improves safety without compromising space. Made of durable thermoplastic, this sleek emergency light exit sign can be mounted from ceilings or walls. A powerful battery backup system keeps the exit sign illuminated for at least 90 minutes after power is lost.

Reasons to choose the LED Low Profile Combo Emergency Exit Sign from TCP

- Long-lasting, ultra-bright white LED lamp heads and red or green selectable LED lettering
- Unique bi-color LED indicator light alerts on battery condition (Green = normal, Red = check battery)
- EZ-snap mounting canopy included—allows top or end mount
- Battery backup features 3.6V long life, rechargeable NiCd battery
- Easily accessible test switch and charge rate indicator
- UL listed for damp locations
- Transfer switch automatically connects to internal battery for minimum 90-minute emergency illumination

Ideal Applications

- Retail
- Industrial
- Schools
- Hospitals
