

The Q Series High Bay family features a lightweight extruded aluminum body, 2FT and 4FT length options and up to 60,000 lumens resulting in a versatile solution for endless applications. The included mounting hardware makes the Q Series High Bay quick to install and will provide a long-lasting, durable light source for years to come.

Reasons to choose the LED Q Series High Bay from TCP

- Lightweight, quick install construction
- Standard frosted lens for glare control
- No shadows for smooth, even lighting
- Damp location rated
- 250W or 400W HID equivalent

- 0-10V smooth dimming
- 50,000 hour rated life
- Wide 160° field angle beam spread reduces cave effect
- Optional controls available
- Includes 6-foot power cord

Ideal Applications

- High ceiling locations
- Commercial settings

- Industrial settings
- Warehouses

Q Series High Bay - 2'

Applications

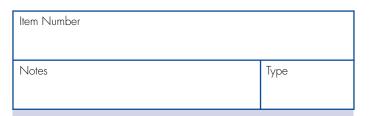

The Q Series High Bay family is a versatile solution for endless applications. With a lightweight extruded aluminum body and included mounting hardware, the Q Series QHB by TCP'is quick to install and will provide a long-lasting, durable light source for years to come.

Features

- Lightweight, quick install construction
- Standard frosted lens for glare control
- No shadows for smooth, even lighting
- Damp location rated
- 0-10V smooth, no-flicker dimming
- Operating temperature: -4°F to 122°F
- 250W or 400W HID equivalent
- Long 50,000 hour rated life
- LED design provides wide beam spread and clean cutoff
- Optional battery backup and motion sensors available
- Includes 6-foot power cord

Hardware Included

- 2 tong hangers
- 5' jack chains
- 6' pre-wired cord

in manufacturing.

Installation

RoHS Compliant

DLC 5.1 Standard

Before hanging installation, please consult your local ordinances and building codes.
