

# Select Series LED Wrap Light

## Product Specifications

The TCP Select Series LED Wrap Light offers superior light output in a maintenance-free fixture. With a durable metal frame, and a glare free, impact resistant frosted lens, you can install these fixtures and relax. Built to industry standard measurements, installation is quick and easy, and provides for easy upgrading.

### Reasons to choose the LED Select Series LED Wrap Light from TCP

- Energy efficient LED luminaire
- Smooth, uniform dimming (0-10V)
- Instant on, no warm up time for full light
- Long life: 50,000 hours
- Replaces traditional linear fluorescent systems
- Heavy-duty steel housing

### Ideal Applications

- Warehouses & Distribution Centers
- Commercial Facilities
- Aisles (Open & Stock)
- Restrooms
- Corridors
- Stairwells
- Hallways

# Select Series LED Wrap Light

## Applications

TCP's Select Series LED Wrap Light offers a versatile solution for both new construction and replacing old linear fluorescent systems. With its durable construction, superior lighting output, and long lifespan, it is perfect for a wide variety of commercial applications. These fixtures come standard with an easy-access wiring compartment that allows for efficient installation.

## Construction

- Housing: durable steel construction
- Finish: powder coated, post-painted white
- Large wiring compartment and knock-outs to accommodate lighting controls
- Easy surface mount, suspended or pendant installation

## Electrical

- Universal 120-277V
- cULus damp location rated
- 0-10V dimming driver (standard)
- 140 lumens per watt
- Easy-to-access wiring compartment
- System rated for long 50,000 hour life

## Optics

- High impact, acrylic lens comes standard to protect the LEDs and minimize glare
- Delivers bright, white light and excellent uniformity

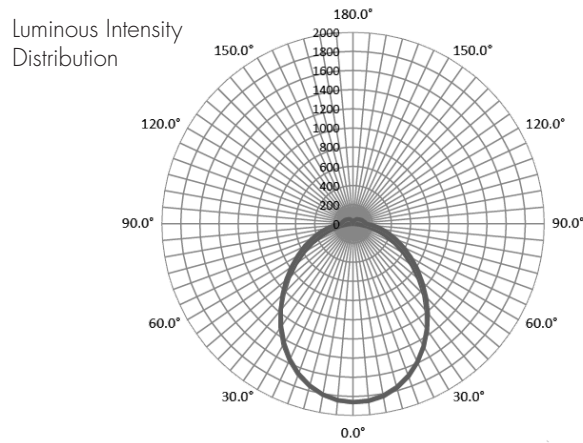

### Listings

UL and cUL listed  
RoHS Compliant  
DLC 5.1 Premium

### Warranty

Five year limited warranty against defects in manufacturing.
